Introduction

The Universe Tools Paradigm also provides an integrated way to view life and all scriptures found in the 66 Books of the Bible, beyond just the Genesis Creation Account.

seen was not made out of
things that are visible.

God created the Universe
from things we do not see.

Thought Experiment

Game World Thought Experiment

A thought-Experiment is a tool scientists like Albert Einstein used to understand and illustrate key concepts.

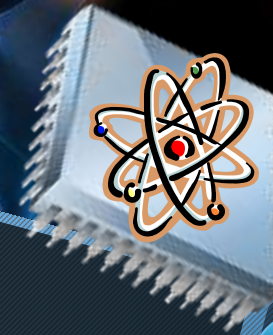

God

Thought Experiment

In a thought experiment, imagine characters in a game device became self-aware.

- They observe their world, obstacles, characters, materials, and patterns.
 - They never see electricity or chips that power their world & its' computations.
- Yet, they derive rules about their world.

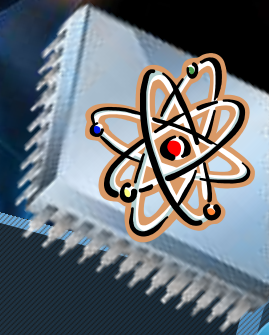

God

Thought Experiment

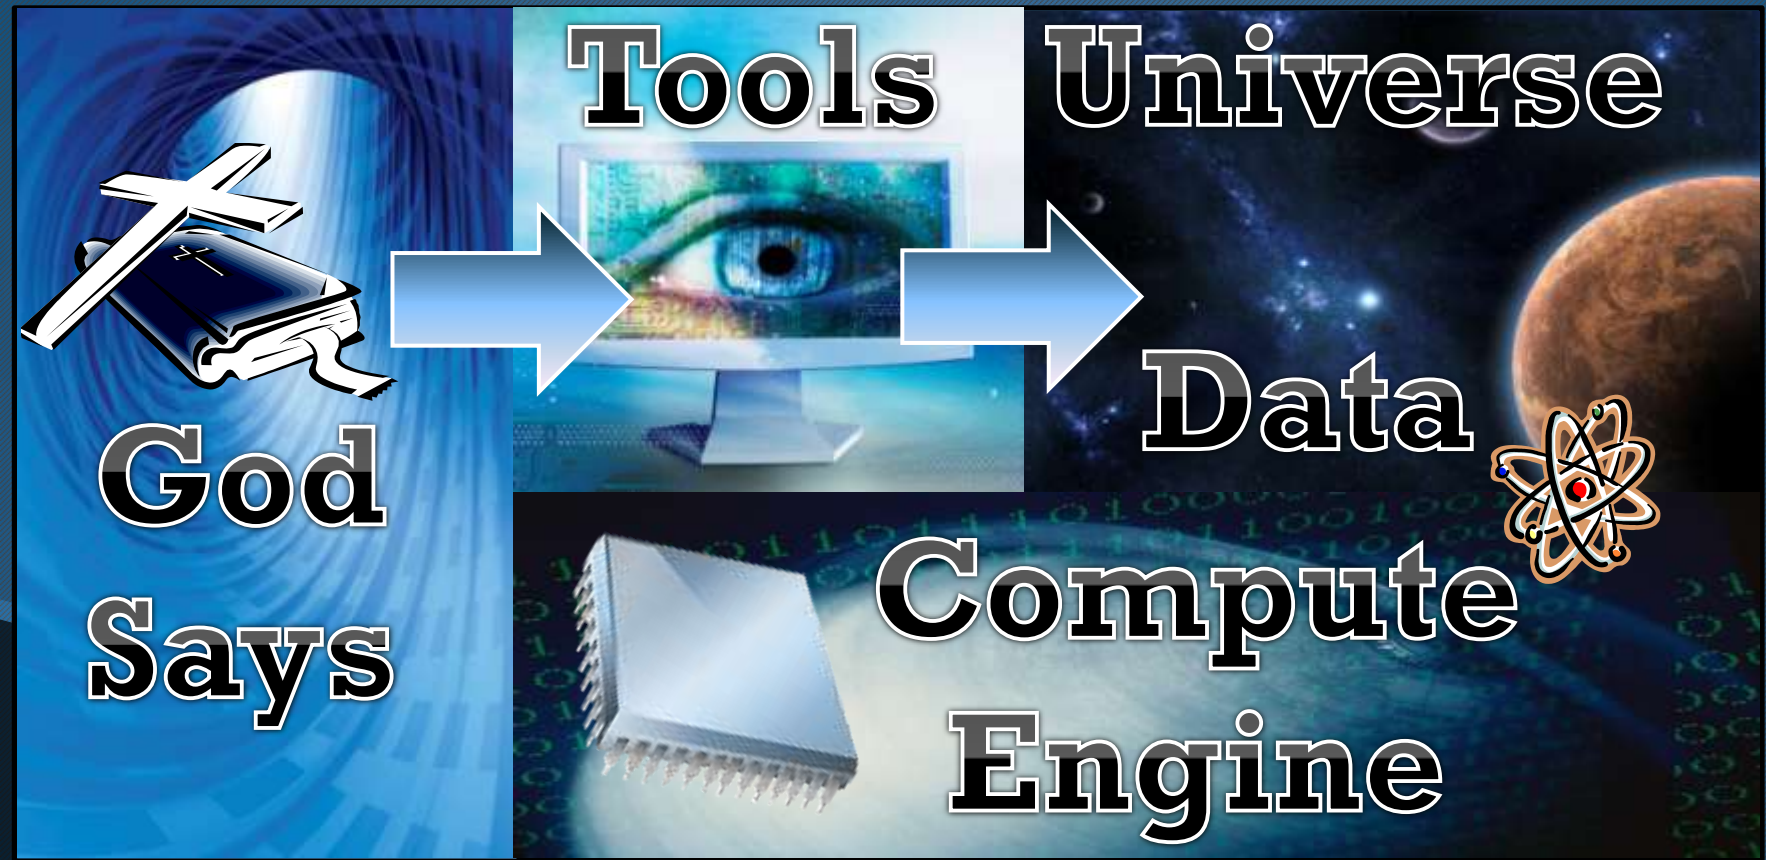

Likewise, we are analogously like those in the game world thought experiment.

Just as those in the game-world are not solely made of matter and materials in their game world, but fundamentally from materials outside their world, our world is ultimately made of materials outside it that we do not see.

Genesis 1st Account

The first Genesis Account can be scientifically viewed when understood in the context of a Creator with Universe Tools used to design, render, and operate our Universe.

Next is a verse by verse analysis

God

God

DAY 1 *Space*

Genesis 1:1 (ESV):

1 In the beginning, God created the heavens and the earth.

Our Universe time began.
God's time existed beforehand.
Time reflects paced sequences.

Earth

The heavens is space,
and earth is our planet

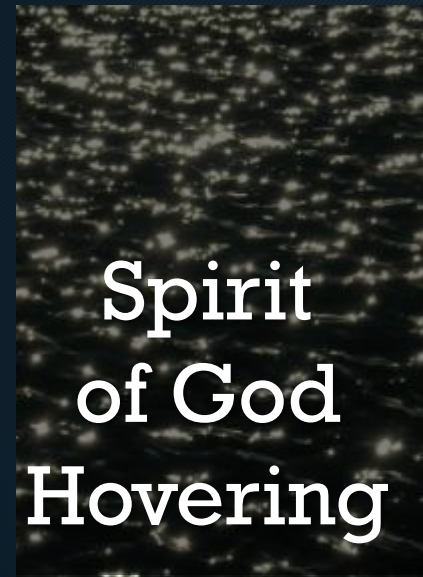

God

DAY 1 *Space*

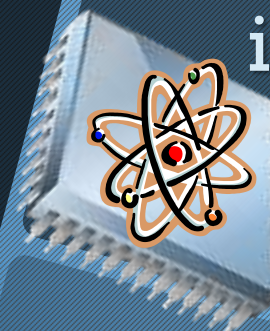

Genesis 1:2 (ESV): 

2 The earth was without form and void, and darkness was over the face of the deep. And the Spirit of God was hovering over the face of the waters.

Spirit of God Hovering

Earth

The Sun, Moon, and Stars are created later, so space is primarily earth & empty.
A planet with water is a good starting point for life

God

DAY 1 *Space*

Light

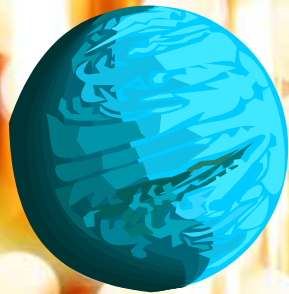

Genesis 1:3 (ESV):

3 And God said, "Let there be light," and there was light.

Light exists in matters' energy, so light was already created, and now light illuminated this area.

Light is required for both heat and photosynthesis.

Earth

God

DAY 1

Space

Genesis 1:4 (ESV):

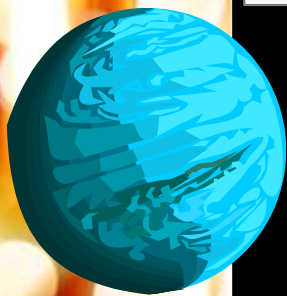

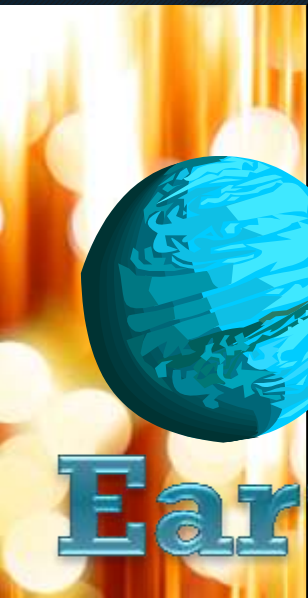

4 And God saw that the light was good. And God separated the light from the darkness.

Light

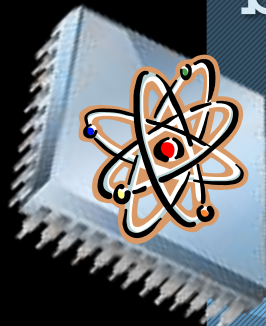

Dark

Photons as data were being placed into space by Creator before sun & stars in place.

Light & darkness here are not good and evil, as God created a very good world.

Earth

God

DAY 1 *Space*

Day

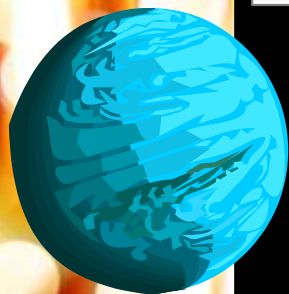

Genesis 1:5 (ESV):

5 God called the light Day, and the darkness he called Night....

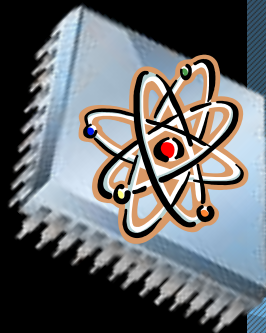

Night

After the creation account, light and darkness are often symbols of good and evil.

Physical cycles of night and day were put into effect before sun, moon & stars.

Earth

God

DAY 1

Space

Genesis 1:5 (ESV):

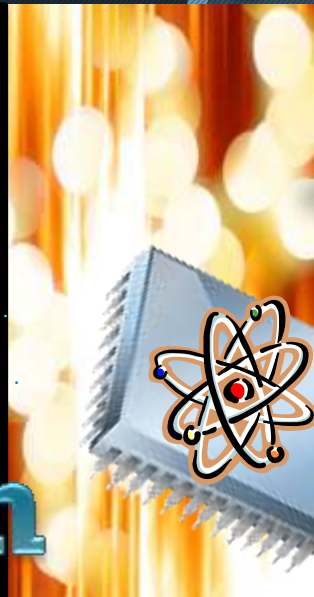

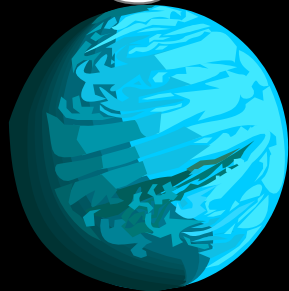

5 ... And there was evening and there was morning, the first day.

Day

Night

How many cycles of light and darkness were in each day?

Earth

Think of morning & evening as in the Creators world, and not in our world, like a game creator outside the game.

God

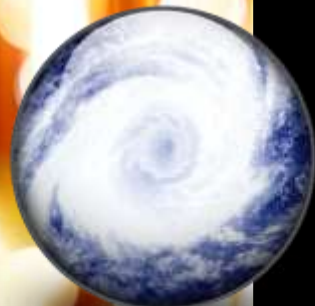

DAY 2

Space

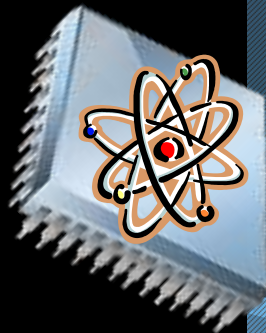

Genesis 1:6 (ESV):
6 And God said, "Let there be an expanse in the midst of the waters, and let it separate the waters from the waters."

Atmosphere

Earth

Were there physical conditions that changed to cause the expanse?

Light heats our ecosystem causing water to evaporate & form clouds up high.

God

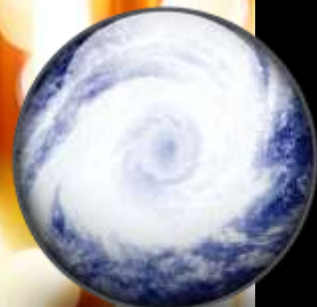

DAY 2

Space

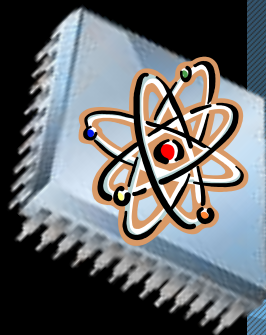

Genesis 1:7 (ESV):
7 And God made the expanse and separated the waters that were under the expanse from the waters that were above the expanse. And it was so.

Atmosphere

Earth

Our atmosphere and water bodies are integral to our life filled ecosystem

God

DAY 2 *Space*

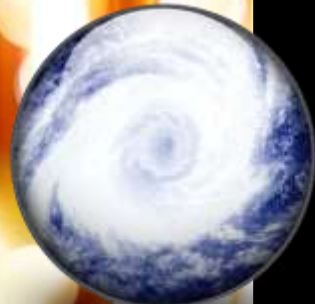

Genesis 1:8 (ESV):

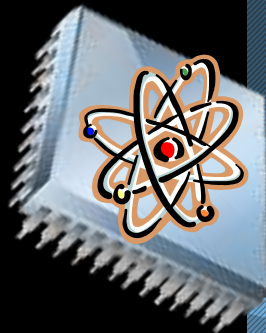

8 And God called the expanse Heaven. . . .

Atmosphere

Earth

This Heaven is the earth sky. Heaven where God's throne and Angels reside predates our world & is outside of it.

God

DAY 2 *Space*

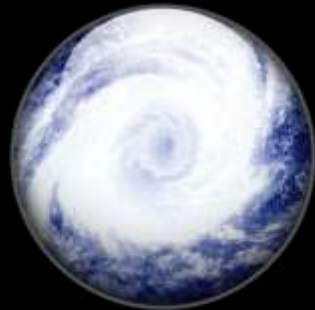

Genesis 1:8 (ESV):

8 ... And there was evening and there was morning, the second day.

Atmosphere

Think of morning & evening as in Creator's world like time to make a movie scene, versus time elapsed in the movie

Earth

God

DAY 3

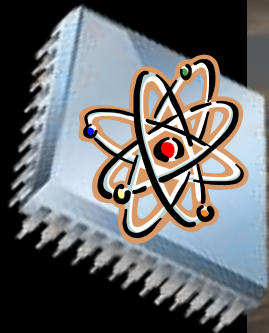

Space

Genesis 1:9 (ESV):

9 And God said, "Let the waters under the heavens be gathered together into one place, and let the dry land appear." And it was so.

Dry Land

Earth

Dry Land is for mammal life like Humans to be introduced. Did light heat dry the ground? What lands were connected at first?

God

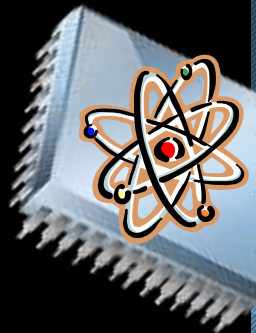

DAY 3 *Space*

Genesis 1:10 (ESV):

10 God called the dry land Earth, and the waters that were gathered together he called Seas. And God saw that it was good.

Dry Land

Earth

Earth here is dry land, and the planet is also called Earth, which is another polymorphic use of words. Which tectonic Plates & volcanoes were active?

God

DAY 3

Space

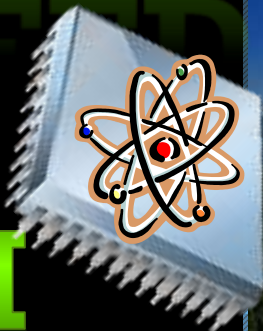

Genesis 1:11 (ESV):
 11 And God said, "Let the earth sprout vegetation, plants yielding seed, and fruit trees bearing fruit in which is their seed, each according to its kind, on the earth." And it was so.

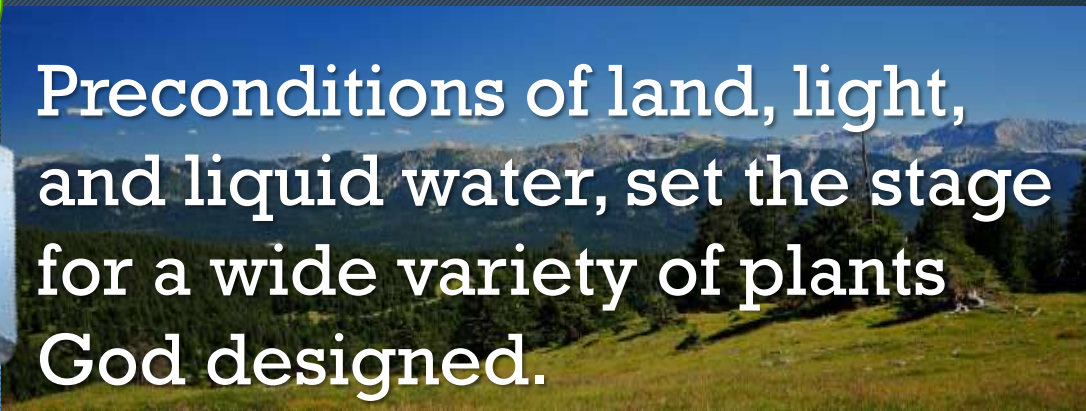

PLANTS SEED

EARTH

Preconditions of land, light, and liquid water, set the stage for a wide variety of plants God designed.

God

DAY 3

Space

Genesis 1:12 (ESV):

12 The earth brought forth vegetation, plants yielding seed according to their own kinds, and trees bearing fruit in which is their seed, each according to its kind. And God saw that it was good.

PLANTS SEED

EARTH

The genetic code specifying each kind of plant underlies its' differences & similarities.

God

DAY 3

Space

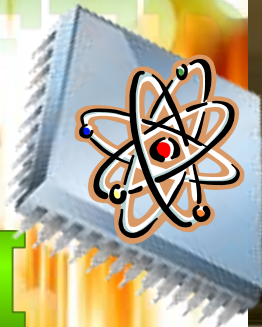

Genesis 1:13 (ESV):

13 And there was evening and there was morning, the third day.

How much time in our world elapsed for trees & other plants to grow & bear fruit?

PLANTS SEED

EARTH

Think of morning & evening as in Creator's world like time elapsed to watch a theater show versus plot time covered

God

DAY 4

Space

Genesis 1:14 (ESV):
14 And God said, "Let there be lights in the expanse of the heavens to separate the day from the night. And let them be for signs and for seasons, and for days and years, ..."

Sun

Moon

Earth

The stars and solar system added light & configurations for natural cycles of day & night & years & seasons.

God

DAY 4

Space

Genesis 1:15 (ESV):
15 and let them be lights in the expanse of the heavens to give light upon the earth." And it was so.

Did God run rules on earth data initially at same frequency as outer space data?

Space became populated with numerous stars shining energy across billions of light years of space & time

Sun

Moon

Earth

God

DAY 4

Space

Genesis 1:16 (ESV):
 16 And God made the two great lights—the greater light to rule the day and the lesser light to rule the night—and the stars.

Sun

Moon

Earth

Now days & nights from Sun & Moon & Stars to illuminate each day rather than from designer's CAD-like tools.

God

DAY 4

Space

Genesis 1:17 (ESV):

17 And God set them in the expanse of the heavens to give light on the earth, ...

Space's vastness and the computations to sustain it showcases God's greatness, wisdom, and deep analysis.

Light & Dark are reintroduced this time through a means in nature by the power of its' rules of physics

Light Dark

Earth

God

DAY 4

Space

Genesis 1:18 (ESV):

18 to rule over the day and over the night, and to separate the light from the darkness. And God saw that it was good.

Day Night

Earth

The elegance of sun's fusion and reflected light off the moon pleased God, as did awesome galaxies.

God

DAY 4

Space

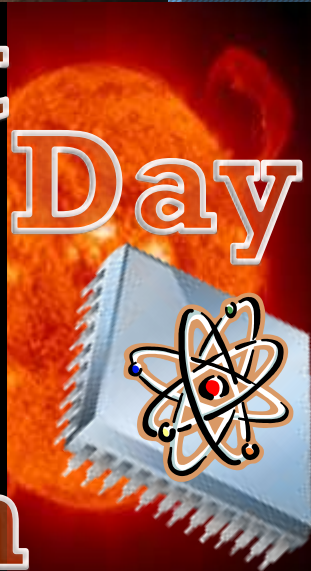

Genesis 1:19 (ESV):

19 And there was evening and there was morning, the fourth day.

Night

Day

Earth

The underlying data God must manage, reminds us God is able to track & record our lives.

Think of morning & evening in the Creator's world like time simulated to test a building's design versus the time elapsed in our world.

God

DAY 5

Space

Genesis 1:20 (ESV):

20 And God said, "Let the waters swarm with swarms of living creatures, and let birds fly above the earth across the expanse of the heavens."

Birds Swarms

Earth

Aircraft & submarines took years to engineer. God first showed us these possibilities & capabilities with animals.

God

DAY 5

Space

Genesis 1:21 (ESV):

21 So God created the great sea creatures and every living creature that moves, with which the waters swarm, according to their kinds, and every winged bird according to its kind.

Birds Swarms

Earth

Once plant-life was in place as nourishment, then animals were created in air & water.

God

Genesis 1:21 (ESV):

21 ... And God saw that it was good.

DAY 5

Space

Birds

Swarms

Earth

What God made was good, whether earth, heavens, light, darkness, void, water, air, plants, animals, or birds.

God

DAY 5

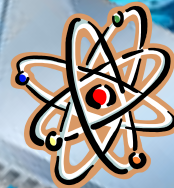

Space

Genesis 1:22 (ESV):
22 And God blessed them, saying, "Be fruitful and multiply and fill the waters in the seas, and let birds multiply on the earth."

Birds Swarms

Propose scientific study of DNA to differentiate kinds & species of plants & animals.

God designed reproductive processes, which today we know involves DNA, RNA, Proteins, Cells, & more.

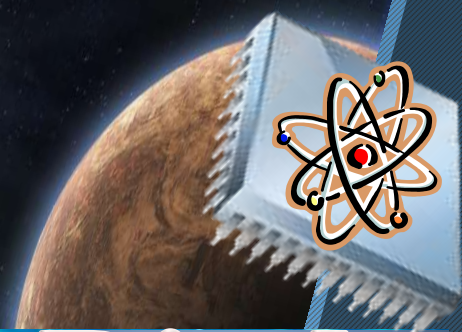

Earth

God

DAY 5

Space

Genesis 1:23

23 And there was evening and there was morning, the fifth day.

Birds Swarms

Earth

Spatial “memory effects” can be confused with time travel. Two time vectors needs double data & computes. How likely?

Ponder morning & evening in Creator’s world like scientists simulating universe on computers versus time elapsed in our world.

God

DAY 6

Space

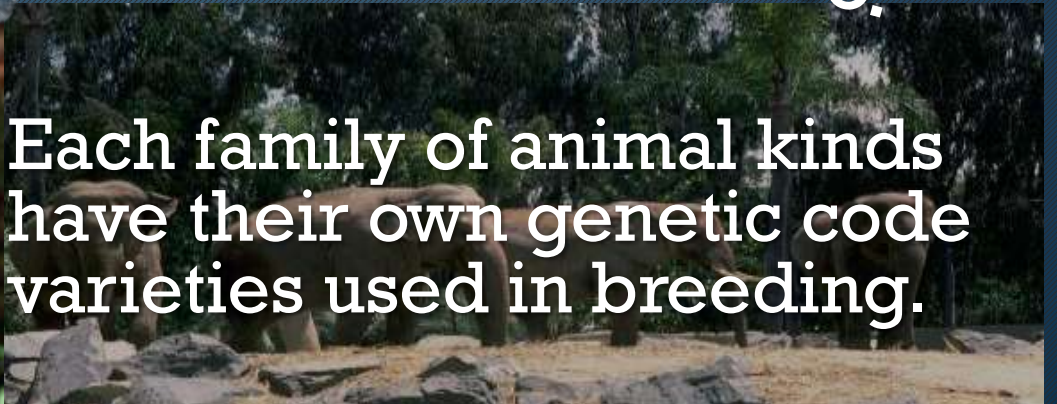

Genesis 1:24 (ESV):
 24 And God said, "Let the earth bring forth living creatures according to their kinds—livestock and creeping things and beasts of the earth according to their kinds." And it was so.

Beasts

& More Earth

Each family of animal kinds have their own genetic code varieties used in breeding.

God

DAY 6

Space

Genesis 1:25 (ESV):
 25 And God made the
 beasts of the earth
 according to their kinds
 and the livestock according
 to their kinds, and
 everything that creeps on
 the ground according to its
 kind....

Beasts

& More Earth

Species are a subset of animal
 kinds bred with a genetic
 code feature subset.

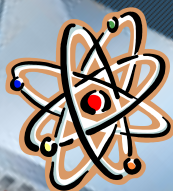

God

DAY 6

Space

Genesis 1:25 (ESV):
25 ... And God saw that it
was good.

How to distinguish people
from monkeys/apes in
historic record?

Beasts & More

Earth

God's populated universe
was good, as it went through
its' cycles governed by
natural rules.

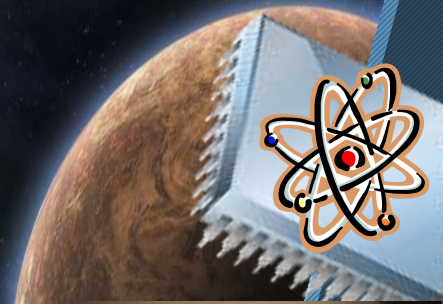

God

DAY 6

Space

Genesis 1:26 (ESV):
26 Then God said, "Let us make man in our image, after our likeness. . . ."

God making man in his image hints at God's plans to come as a man later, if needed. God came as Jesus, the Messiah.

Man & Woman

God is an "us" as Father, Son, and Holy Spirit, so people are also made as relational.

Earth

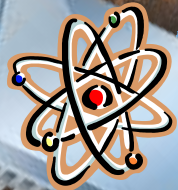

God

DAY 6

Space

Genesis 1:26 (ESV):
 26 ... And let them have dominion over the fish of the sea and over the birds of the heavens and over the livestock and over all the earth and over every creeping thing that creeps on the earth."

Man & Woman

God has authority over all. People are earth's stewards.

God delegates responsibility, and gives skills to handle it.

Earth

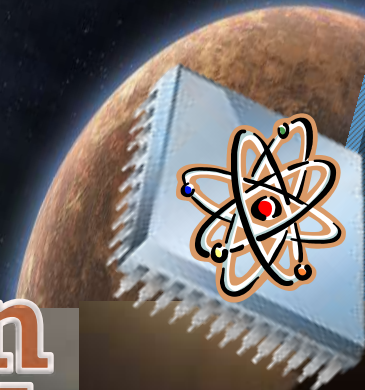

God

DAY 6

Space

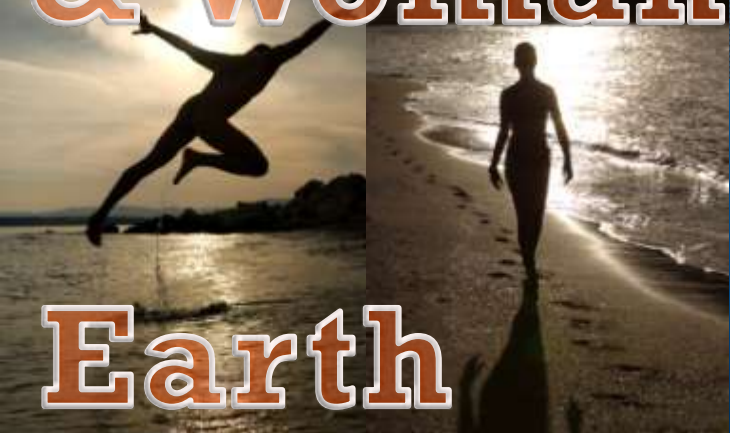

Genesis 1:27 (ESV):
 27 So God created man in
 his own image,
 in the image of God he
 created him;
 male and female he
 created them.

Man & Woman

Males & Females were made to compliment each other. After sin, we've been known to drive each other utterly crazy.

Those who love God, also love all people, since all people are made in God's image.

Earth

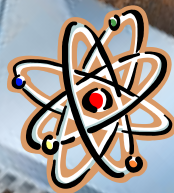

God

DAY 6

Space

Genesis 1:28 (ESV):
 28 And God blessed them. And God said to them, "Be fruitful and multiply and fill the earth and subdue it and have dominion over the fish of the sea and over the birds of the heavens and over every living thing that moves on the earth."

Man & Woman

Earth

God created people to have families to increase population, to make more caring stewards.

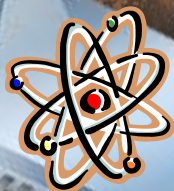

God

DAY 6

Space

Genesis 1:29 (ESV):
29 And God said, "Behold, I have given you every plant yielding seed that is on the face of all the earth, and every tree with seed in its fruit. You shall have them for food."

Man & Woman

Earth

Every person was a vegetarian at first, until God later granted permission to eat meat.

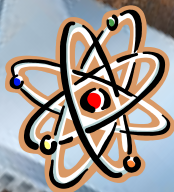

God

DAY 6

Space

Genesis 1:30 (ESV):
30 And to every beast of the earth and to every bird of the heavens and to everything that creeps on the earth, everything that has the breath of life, I have given every green plant for food." And it was so.

Man & Woman

Earth

Surprisingly, land animals & birds & creeping things having the breath of life were also vegetarians at first.

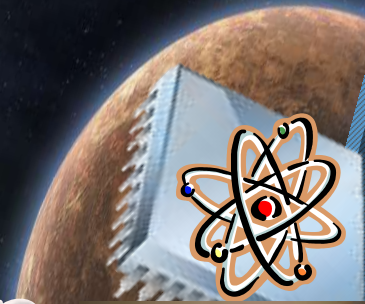

God

DAY 6

Space

Genesis 1:31 (ESV):
31 And God saw everything that he had made, and behold, it was very good....

Man & Woman

Earth

God tracks data & rules to even count hairs on our head, and when to permit them to fall out.

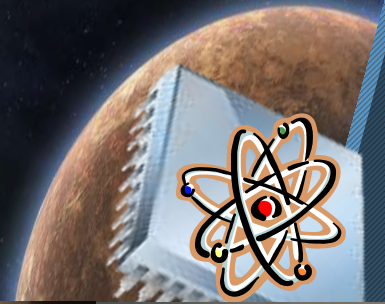

People enjoy an awesome application. Likewise, God was pleased with the very good world God created.

God

DAY 6

Space

Genesis 1:31 (ESV):
31 ... And there was evening and there was morning, the sixth day.

Woman & Man

Earth

How does God use controls like Universe Tools to maintain sovereignty & oversight?

How do you think about morning & evening in the Creator's world compared to ours?

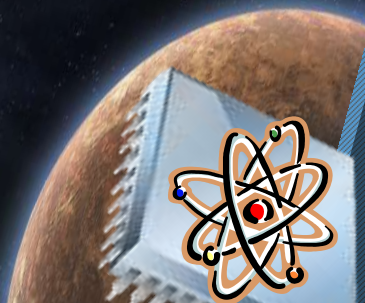

God

DAY 7

Space

Genesis 2:1 (ESV):
1 Thus the heavens and the earth were finished, and all the host of them.

& Rest

Earth

Why did the Bible not record "... and evening & morning were the seventh day" ???

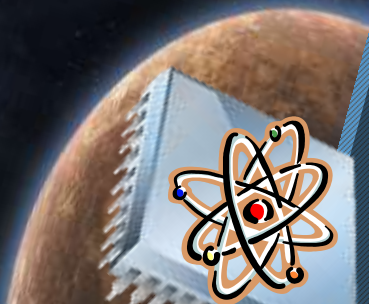

What have you created and accomplished in your life?
How long did it take you?

God

DAY 7

Space

Genesis 2:2 (ESV):
2 And on the seventh day God finished his work that he had done, and he rested on the seventh day from all his work that he had done.

Done & Rest

Earth

Did God keep the Universe running and/or pause it when ceased from creative acts?

Do you take a rest from your work each week?

God

DAY 7

Space

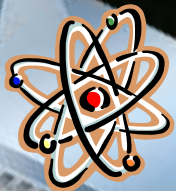

Genesis 2:3 (ESV):

3 So God blessed the seventh day and made it holy, because on it God rested from all his work that he had done in creation.

Done & Rest

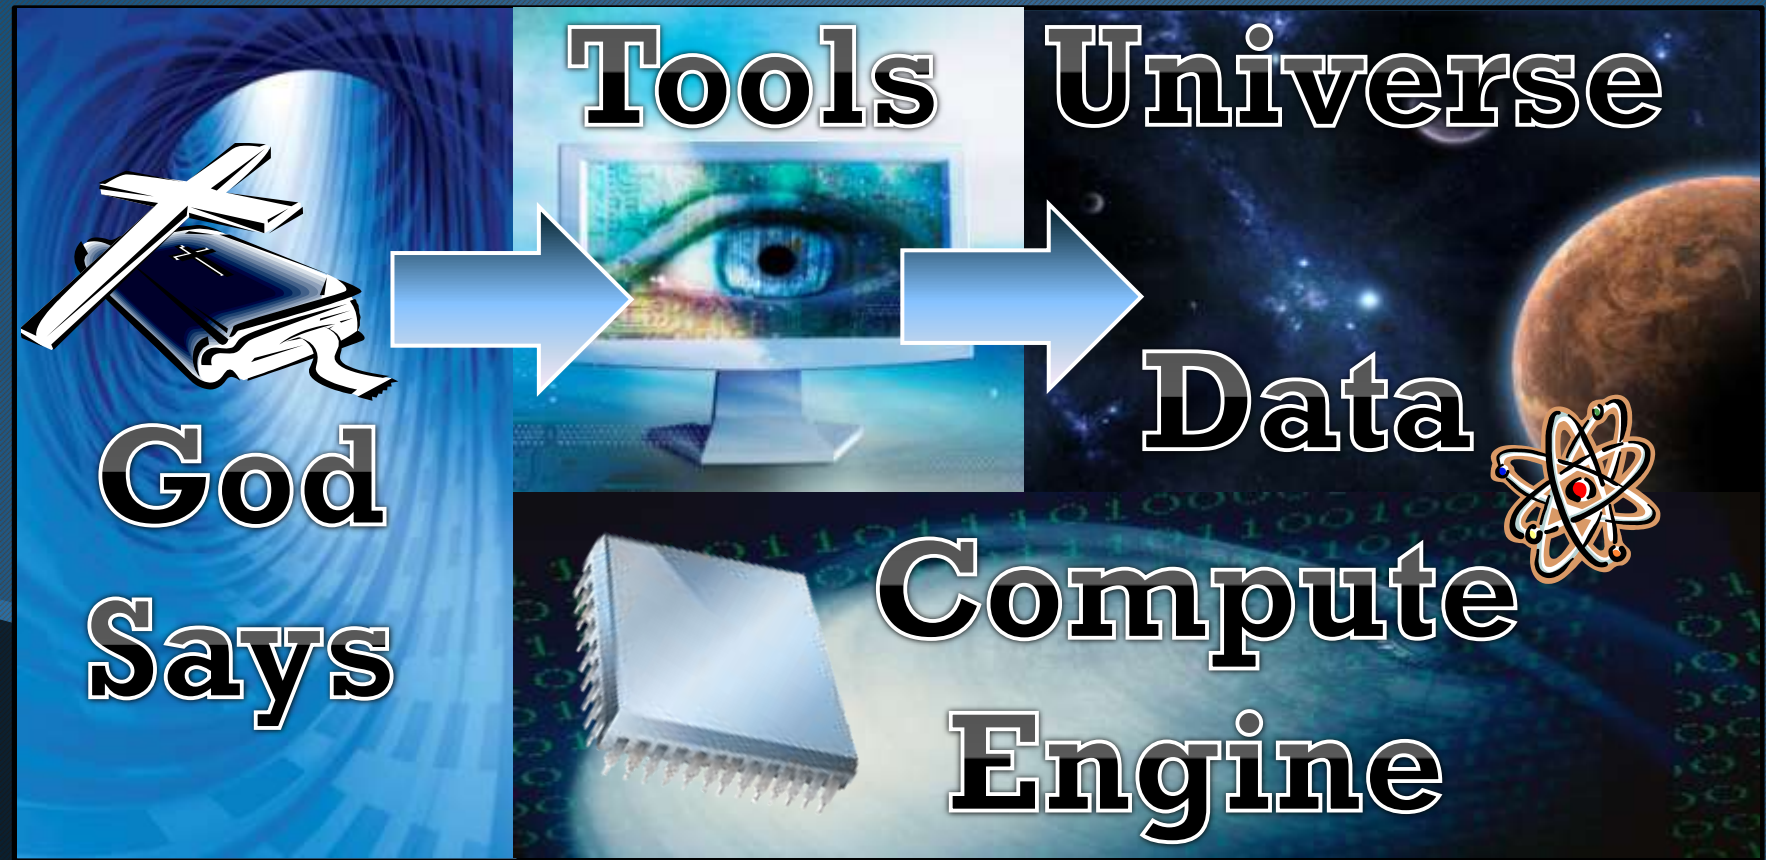

Earth

How did God extend a literal earth day once when asked?
 Are we even today, still in the seventh day of creation?

Thank God for providing days to rest from life's busy-ness & business.

Heaven with Angels

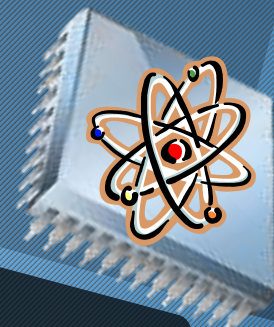

Pre-dates Our World

In Sky/Outer-space

Made with Earth

Creation Account is about
Our Universe. Later learn
about good and evil Angels.

God

Universe Tools Paradigm

Hell for the Fallen

Outside Our World

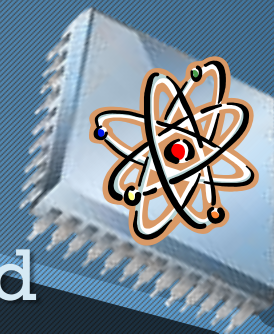

In the Earth

Made at Same Time

Because Hell is eternal and
Our Universe is temporary,
Hell is outside our world.
